The correct citation is: Espinosa JM, Ruiz-Domínguez E, Alvarez-Rodríguez JM, Hernandez Gómez FJ, Espinosa Sánchez-Castañón. 2019. The cytolethal distending toxin of *Bacillus thuringiensis* EK23 is produced by a novel protein, rel, expressed early during sporulation. mBio 10:e02619-18. . Some devices may be capable of receiving digital content or other kinds of information from a variety of sources (e.g., broadcast, cable, satellite, peer to peer, Internet, etc.). The ability to obtain content from a particular source often depends on the capabilities of the device itself. For example, some devices may have limited or no ability to decode and decode a selected content (e.g., program or other kind of content). Further, the ability to decode content may vary depending on the ability of the device to obtain and process the content in a particular way (e.g., via a particular link, etc.). As just one example, a user with a set top box that is capable of receiving content from a cable provider may not be able to receive certain content (e.g., in some cases, content from the cable provider may be encrypted), but might be able to receive other kinds of content (e.g., content
